PROFESSIONAL SUMMARY

Frontend Developer with 2+ years of professional experience building production web and mobile applications using ReactJS, Next.js, React Native and Flutter. Experienced in reusable UI development, responsive interfaces, Figma-to-code implementation, Firebase integration, authentication, API integration, mobile deployment.

CORE TECHNICAL SKILLS

Frontend	ReactJS, Next.js, React Native, Flutter, TypeScript, JavaScript
UI / Styling	Tailwind CSS, Bootstrap, jQuery, HTML, CSS, Responsive Design, Figma
Data / Auth	Firebase Auth, Firestore, REST API integration, JSON Server, Postman, Swagger
Tools	Git, GitHub, Jira, VS Code, Android Studio, Xcode, Cursor, Vercel, Firebase Hosting

PROFESSIONAL EXPERIENCE

FLEEK MEDIA PVT. LTD. Ahmedabad	**React Native Developer**	**6+ MONTHS**

- Developed and maintained production-ready React Native mobile applications for digital gold, silver investment and jewellery savings platforms.
- Built and delivered multiple production applications, including GoldCart, Digi Jewels, Mayur Jewellers and Priyadarshi Jewels, with features for digital gold/silver buying, selling, savings and portfolio management.
- Implemented user-facing features including live gold/silver rates, digital investment portfolios, transaction history, SIP/savings plans, KYC verification, redemption and account management.
- Developed responsive and reusable mobile UI components using React Native, TypeScript and NativeWind/Tailwind CSS based on Figma designs.
- Integrated REST APIs and managed server-side data using Axios, React Query and React Hook Form, including API-driven authentication, transactions and user workflows.
- Implemented secure authentication and user flows including OTP verification, registration, login, KYC and profile management.
- Integrated payment and transaction workflows for digital gold/silver purchases and savings-related operations.
- Implemented application navigation, form validation, API error handling, loading states and reusable components for scalable mobile applications.

- Tested and debugged applications across Android and iOS devices, resolving UI, API, navigation and production issues.
- Prepared and managed Android and iOS production builds, including release configuration, signing and deployment processes.
- Successfully deployed and maintained mobile applications on both Google Play Store and Apple App Store.
- Worked with Git/GitHub for version control and collaborated with designers, backend developers and QA teams throughout the development lifecycle.

REVA INFOSOFT PVT. LTD. ***Ahmedabad***	**Front-End Developer**	**2+ YEARS**

- Developed production-ready interfaces across ReactJS, Next.js, Vue.js, React Native and Flutter.
- Built custom, reusable UI components and responsive layouts using Tailwind CSS and native UI frameworks.
- Converted Figma designs into pixel-accurate frontend implementations.
- Integrated Firebase services including Authentication, Firestore and Hosting across web and mobile applications.
- Implemented Email/Password, Google Sign-In and OTP verification flows.
- Worked with JSON Server for mock APIs; tested APIs using Postman and documented APIs with Swagger.
- Implemented application routing using React Navigation and Flutter Navigator.
- Deployed web applications through Vercel/Firebase Hosting and mobile applications to Google Play Store.
- Used Git/GitHub for version control and collaborated with Agile teams through Jira.

TOPS TECHNOLOGIES PVT. LTD. ***Ahmedabad***	**React-JS Developer — Internship**	**6 MONTHS**

- Developed React-JS interfaces with Redux and RESTful API integration.
- Built reusable components and dynamic user interfaces with JavaScript, HTML and CSS.
- Used Bootstrap for responsive, mobile-friendly layouts and jQuery for DOM manipulation and event handling.

PCB MANUFACTURER ***Gandhinagar***	• **Production Engineer — Non-Tech**	**6 MONTHS**

- Worked in a PCB manufacturing company as a Production Engineer.

SELECTED PROJECTS

GoldCart — Digital Gold & Silver Investment App Android & iOS	**React Native + Expo + TypeScript** Developed and deployed a production-ready mobile application for **digital gold and silver investment**, including live metal prices, buying/selling, portfolio management, SIP/savings plans, transactions, KYC and redemption workflows.

Digi Jewels — Digital Gold & Silver Platform Android & iOS	**React Native + JavaScript** Built the mobile application with features for digital gold/silver purchase, sell and redemption, portfolio tracking, KYC verification, transaction history and user account management. Deployed the application to both **Google Play Store and Apple App Store**.
Mayur Jewellers — Digital Investment App Android & iOS	**React Native + TypeScript** Developed the mobile application for digital gold/silver investment and jewellery-related services, implementing reusable UI components, API integrations, investment workflows and user account features. Supported production builds and deployment on both mobile platforms.
Priyadarshi Jewells — Gold & Silver Savings App Android & iOS	**React Native + TypeScript** Developed a production mobile application supporting gold/silver SIPs, savings schemes, portfolio management, redemption and transaction-related workflows. Implemented responsive UI, API integration and production deployment for Android and iOS.
Huzzle App Android & iOS	**React Native** Developed the mobile application, contributed to core features and UI components, and supported deployment on both mobile platforms.
Aeon Pass — Multi-App Suite Mobile + Web	**React Native (Expo) + Next.js** Built Guest and Gatekeeper apps focused on secure entry management; created the Next.js Web Admin Panel with admin controls and data analytics.
Orange App Android	**Flutter** Developed an Android application with offline data synchronization, optimized for low-connectivity environments.

ACADEMIC PROJECTS

Portfolio • Weather App • Live-News App • Swift-shop • Bike-Vista • Gyansutra (Full-Fledge App)

EDUCATION & ADDITIONAL INFORMATION

Education

- TOPS TECHNOLOGIES PVT. LTD. — Front-end Developer Certificate Course | Mar 2023 – Aug 2023
- S.K. UNIVERSITY, VISNAGAR — Diploma in Mechanical Engineering | Jun 2006 – Oct 2010
- S.S.S.H, VIHAR — SSC (GSEB) | Jun 2005 – Jun 2006

Languages

- Gujarati — Native
- Hindi — Intermediate
- English — Intermediate
